

Active Transportation BINGO

Let's play BINGO! Get your family together, bring a BINGO card and pencil or use your device to check the boxes! Head outside and explore your walking route to school together. Along the way, when you see something on your BINGO card, check it off in the matching box. Be the first person to make a LINE, X or complete the whole box—when you do, yell "BINGO!". Practice taking your route often throughout the summer so you're ready to go for September!

Remember, always check with an adult for safety and permissions before leaving your home!
