Background

Toronto and Region Conservation Authority (TRCA), also known as the Authority, is a non-share corporation, established as a body corporate under [Section 3\(4\)](#) of the [Conservation Authorities Act](#) (the Act) with the objects to provide, in the area over which it has jurisdiction, programs and services designed to further the conservation, restoration, development and management of natural resources other than gas, oil, coal and minerals. In addition to the many further provincial laws that reference a 'conservation authority' in a manner applicable to TRCA, the organization's governance is determined by supplemental legislation, including the [Ontario Corporations Act](#) and the imminent [Not-for-Profit Corporations Act](#).

Under the Act, municipalities within a common watershed are enabled to petition the Province of Ontario to establish a conservation authority. The purpose of the Act is to provide for the organization and delivery of programs and services that further the conservation, restoration, development and management of natural resources in watersheds in Ontario. TRCA's watershed jurisdiction spans the entirety of the City of Toronto as well as significant portions of the regions of Durham, Peel and York, including segments within 14 lower tier municipalities.

TRCA's Board of Directors is comprised of Board Members appointed as representatives by the participating municipalities, which include:

- Township of Adjala-Tosorontio/Town of Mono
- Regional Municipality of Durham
- Regional Municipality of Peel
- City of Toronto
- Regional Municipality of York

The Board of Directors must always act within the scope of its powers outlined in the Act. The powers of a conservation authority to accomplish its objects are set out in the Act including those identified under [subsection 21\(1\)](#).

TRCA believes in diversity and values the benefits that diversity can bring to its Board of Directors. Diversity promotes the inclusion of different perspectives and ideas, mitigates against group think and ensures that TRCA has the opportunity to benefit from all available talent. The promotion of a diverse Board of Directors makes prudent business sense and makes for better corporate governance.

TRCA aspires to have a Board of Directors comprised of talented and dedicated Board Members with a diverse mix of expertise, experience, skills, and backgrounds. The skills and backgrounds collectively represented on the Board of Directors should reflect the diverse nature of the business environment in which TRCA operates. For purposes of Board of Directors composition, diversity includes, but is not limited to, environmental and business experience, geography, age, gender, and ethnicity and aboriginal status.

TRCA ideally seeks a merit-based system for Board of Directors composition within a diverse and inclusive culture which solicits multiple perspectives and views and is free of conscious or unconscious bias and discrimination. When assessing Board of Directors composition or identifying suitable candidates for appointment to the Board of Directors, TRCA requests its participating municipalities consider candidates on merit against

objective criteria having due regard to the benefits of diversity and the importance of the Board Member's role for TRCA.

All such meetings shall be open to the public unless the meeting is closed to the public pursuant to [Section C.4](#) of this By-Law. The Chair's ruling may be immediately appealed by proper motion and the ruling of the meeting shall then govern.

- (5) Delegations are limited to one meeting of either the Board of Directors, Executive Committee, or advisory board, except by approval of the Chair to be heard at an additional meeting(s). The Code of Conduct for Board Members rules below governing the conduct of the Board of Directors shall also be observed in Executive Committee and advisory board meetings, as far as they are applicable, and the words Executive Committee or advisory board shall be substituted for the word Board of Directors as applicable.

1. Background

Toronto and Region Conservation Authority (TRCA) demands a high level of integrity and ethical conduct from its Board Members. TRCA’s reputation relies upon the good judgement of individual Board Members. A written code of conduct helps to ensure that all Board Members share a common basis for acceptable conduct. Formalized standards help to provide a reference guide and a supplement to legislative parameters within which Board Members must operate. Further, they enhance public confidence that Board Members operate from a base of integrity, justice and courtesy.

The Code of Conduct for Board Members is a general standard. It augments the laws which govern the behaviour of Board Members, and it is not intended to replace personal ethics.

This Code of Conduct for Board Members will also assist Board Members in dealing with confronting situations not adequately addressed or that may be ambiguous in Board of Directors resolutions, regulations, or TRCA policies and procedures.

2. General

All Board Members, whether municipal councillors, a provincial appointee, or citizen representatives of a municipality, are expected to conduct themselves in a manner that reflects positively on TRCA.

All Members shall serve in a conscientious and diligent manner. No Board Member shall use the influence of the office for any purpose other than for the exercise of his/her official duties.

It is expected that Board Members adhere to a code of conduct that:

- (a) upholds the purpose of the Act, mandate, vision, mission, rules and regulations of TRCA;
- (b) considers TRCA’s jurisdiction in its entirety, including their appointing municipality;
- (c) respects confidentiality;
- (d) approaches all TRCA issues with an open mind, with consideration for the organization as a whole;
- (e) while Board Members may have interests contrary to TRCA interests, when acting as Board Members they shall adhere to their fiduciary duty to consider TRCA interests and issues at hand above other interests and issues;
- (f) exercises the powers of a Board Member when acting in a Board of Directors meeting;

- (g) only represents the position of the Board of Directors at any time outside of Board of Directors meetings, and shall not present their individual opinion as a position of TRCA;
- (h) respects the democratic process and respects decisions of the Board of Directors;
- (i) declares any direct or indirect pecuniary interest or conflict of interest when one exists or may exist, as defined in the Municipal Conflict of Interest Act; and
- (j) conducts oneself in a manner which reflects respect and professional courtesy and does not use offensive language in or against TRCA, Board Members, staff or any individual.

3. Gifts and Benefits

Board Members shall not accept fees, gifts, hospitality or personal benefits that are connected directly or indirectly with the performance of duties, except compensation authorized by law.

4. Confidentiality

The Board Members shall be governed at all times by the provisions of the Municipal Freedom of Information and Protection of Privacy Act (MFIPPA).

All information, documentation or deliberations received, reviewed or taken in a closed meeting are confidential.

Board Members shall not disclose or release by any means to any member of the public, in verbal, written or other form, any confidential information acquired by virtue of their office, except when required by law to do so.

Board Members shall not permit any persons, other than those who are entitled thereto, to have access to information which is confidential.

In the instance where a Board Member vacates their position on the Board of Directors, they will continue to be bound by MFIPPA requirements.

Particular care should be exercised in protecting information, including but not limited to, the following:

- (a) Human Resources matters;
- (b) Matters relating to the legal affairs of TRCA;
- (c) Sources of complaints where the identity of the complainant is given in confidence;
- (d) Items under negotiation;
- (e) Information about suppliers provided for evaluation that might be useful to other suppliers;
- (f) Schedules of prices in tenders or requests for proposals;
- (g) Appraised or estimated values with respect to TRCA's proposed property acquisitions or dispositions;
- (h) Information deemed to be "personal information" under MFIPPA.

All Board Members are expected to sign an oath of confidentiality upon assuming the office.

5. Use of TRCA Property

No Board Member shall use for personal purposes any TRCA property, equipment, supplies or services of consequence other than for purposes connected with the discharge of TRCA duties or associated community activities of which TRCA has been advised, or as allowable by TRCA policies, guidelines and fee schedules.

6. Work of a Political Nature

All Board Members must be familiar with and act in accordance to the Use of Resources During an Election policy and procedures ([Appendix 1 Code of Conduct for Board Members](#)) as approved from time-to-time. No Board Member shall use TRCA resources or act in any manner contrary to said policy and procedures.

7. Conduct at Board of Directors Meetings

During meetings of the Board of Directors, Board Members shall conduct themselves with decorum. Respect for delegations, presenters, staff and for fellow Board Members requires that all Board Members show courtesy and not distract from the business of the Board of Directors at any time during meetings. Board Members shall direct all other correspondence through the Clerk and or the Chief Executive Officer or through both.

9. Apprehension of Bias

As decisions makers, no Board Member shall enter into discussions with any party outside of TRCA that may result in either a real or perceived bias of their position on matters that may come before staff and/or the Board of Directors.

Executive Committee Members may act as a decision-making tribunal in the form of Hearing Board on matters related to Regulations issued under the Conservation Authorities Act, and in particular [Section 28 \(1\)](#) (or [Section 28.1](#) when in force). Executive Committee Members shall not enter into discussions outside the Hearing on such matters that may result in either a real or perceived bias of their position on the matters under the Hearing, with the exception of the TRCA solicitor. The Chair of the Executive Committee may receive a briefing from TRCA staff on procedural matters prior to the Hearing Board convening.

Executive Committee and Board of Directors Members shall not enter into discussions on the merits of a Planning Act application and/or an appeal to the Local Planning Appeal Tribunal (formerly Ontario Municipal Board) that may be associated with a current or likely permit application under the Act, that may result in either a real or perceived bias of their position on the permit application. However, for clarity Board members can inquire on the status of the applications or appeals to understand the context of the permit application before them.

10. Media Inquiries

The Chair and the Chief Executive Officer or their assigned designates shall represent TRCA in media appearances and releases. Should a Board Member be approached by the media to provide comments, the Board Member shall direct the media to the Chief Executive Officer or their delegate.

It is the policy of TRCA that all persons be treated fairly in the workplace in an environment free of workplace harassment, sexual harassment and discrimination. Harassment of another Board Member, staff or any member of the public is misconduct and shall not be tolerated. Board Members shall follow TRCA's Workplace Violence, Harassment, and Discrimination Prevention policy as approved from time-to-time. The policy applies to any activities on or off of TRCA premises which could reasonably be associated with TRCA.

Examples of harassment that will not be tolerated include: verbal or physical abuse, threats, derogatory remarks, jokes, innuendo or taunts related to an individual's race, religious beliefs, colour, gender, physical or mental disabilities, age, ancestry, place of origin, citizenship, creed, marital status, source or level of income, family status or sexual orientation. TRCA will also not tolerate the display of pornographic, racist or offensive signs or images; practical jokes that result in awkwardness or embarrassment; unwelcome invitations or requests, whether indirect or explicit and any other prohibited grounds under the provisions of the Ontario Human Rights Code.

14. Breach of Code of Conduct

Any breach, or alleged breach, of the Code of Conduct for Board Members shall be investigated in accordance with [Section B.17. - Enforcement of By-Laws and Policies](#) outlined in the Board of Directors Administrative By-Law.

Appendix 2 - Use of TRCA Resources During an Election Policy

1. PURPOSE

Toronto and Region Conservation Authority (TRCA, also known as the Authority) policy on "Use of Resources During an Election" provides a consistent approach and direction to TRCA employees on how TRCA resources can and cannot be used during municipal, school board, provincial and federal election campaigns or campaigns on a question on a ballot.

This policy and accompanying procedures establish guidelines on the appropriate use of resources during an election period, in order to:

- protect the interests of Board Members, candidates, staff and TRCA, and
- ensure accountable and transparent election practices.

2. BACKGROUND

TRCA employees may be approached by candidates to use TRCA resources for the purposes of campaigning. A clear policy is required to guide the action of TRCA employees and help determine which requests can be accommodated and which should be denied.

The [Municipal Elections Act, 1996](#), as amended, specifies under [Section 88.8\(5\)](#) that “the Crown in the right of Canada or Ontario, a municipality, or local board” shall not make a contribution to a candidate. Contributions include, but are not limited to money, goods and services provided and accepted by or on behalf of a person for their election campaign.

Since a “contribution” may take the form of money, goods or services, any use of TRCA’s resources for an election campaign by any candidate, may be considered a contribution by TRCA. Where a candidate pays the regular rate for goods and services as any other individual, it is not considered a contribution. If a discounted rate or free goods and services were procured, that would be considered a contribution.

3. SCOPE

This policy and accompanying procedures apply to all Board Members, candidates in a municipal, school board, provincial and federal election, and TRCA staff during an election period.

4. ROLES AND RESPONSIBILITIES

Chief Executive Officer (CEO): Procedures and guidelines pursuant to the "Use of Resources During an Election" policy shall be developed to ensure audit implementation compliance. All issues with respect to this policy and associated procedures should be directed toward the CEO.

Senior Leadership Team: Staff members responsible for the application of this policy to TRCA resources, facilities and employees managed by their Divisions.

TRCA Employees: TRCA employees are responsible for understanding and applying this policy and for seeking clarification and advice if required.

5. POLICY

TRCA strives to recognize the need to balance freedom of expression and assembly of candidates with responsibilities while ensuring there is no unfair advantage, promotion or contributions to any one candidate, political party, third party or supporter of a ballot question.

TRCA cannot make a contribution (including money, goods and/or services) to any one candidate, political party, third party or a supporter of a question on a ballot during an election.

TRCA resources cannot be used to promote any one candidate, political party, third party or a supporter of a question on a ballot during an election over another candidate, political party, third party or a supporter of a question on a ballot during an election.

This policy is intended to enable continued public and media access to candidates or third party for information and interviews. The policy distinguishes between unplanned media scrums or chance public encounters by candidates and the media, whether in-person or online, and actual planned media events or rallies.

The policy recognizes that Board Members are holders of their position until their successor is appointed and supports Board Members in continuing to fulfill their responsibilities as Board Members. In addition, it recognizes that Board Members have political interests outside of their duties on the Board of Directors. In this regard, the policy does not apply to Board Members' using their personal resources for their own political interests, subject to this use in no way referencing TRCA or their capacity as a Board Member. Use of personal resources in this manner shall not be endorsed by TRCA.

The policy recognizes that Members of Council are holders of their office until the end of their term and supports Board Members in continuing to fulfill their responsibilities as Members of Council.

The TRCA Clerk shall ensure the policy contained herein and associated procedures are reviewed on a regular basis (not to exceed three years) and remain relevant to the needs of TRCA, in accordance with legislative requirements and good business practices.

The Hearing Rules are adopted under the authority of [Section 25.1](#) of the Statutory Powers Procedure Act (“SPPA”). The SPPA applies to the exercise of a statutory power of decision where there is a requirement to hold a hearing before making a decision. The SPPA sets out minimum procedural requirements governing such hearings.

These Hearing Rules are based on the most recent version of the Conservation Authorities Act Model Hearing Guidelines (September 2021) published by Conservation Ontario and the Ministry of Natural Resources in October 2005.

2 PREHEARING PROCEDURES

2.0 Role of the Hearing Board

The Hearing Board is acting as a decision-making tribunal. The tribunal is to act fairly. Under general principles of administrative law relating to the duty of fairness, the tribunal is obliged not only to avoid any bias but also to avoid the appearance or reasonable apprehension of bias.

No member of the Authority taking part in the hearing should have prior involvement with the application that could lead to a reasonable apprehension of bias on the part of that member. Where a member has a personal interest, the test is whether a reasonably well-informed person would consider that the interest might have an influence on the exercise of the official's public duty. Where a member is a municipal councilor, the Municipal Conflict of Interest Act applies. In the case of a previously expressed opinion, the test is that of an open mind, i.e. is the member capable of persuasion in participating in the decision making.

2.1 Request for Hearing

The applicant is entitled to reasonable notice of the hearing pursuant to the SPPA. All requests for a hearing shall be in writing and directed to the Clerk.

2.2 Notice of Hearing

The Notice of Hearing shall be sent to the applicant within sufficient time to allow the applicant to prepare for the hearing. Prior to sending the Notice of Hearing, the applicant shall be consulted to determine an agreeable date and time based on the Authority's regular meeting schedule.

The Notice of Hearing shall be sent to the applicant by email. Please refer to [Appendix A](#) for the form of Notice of Hearing.

2.3 Pre-submission of Reports

Staff of the Authority and the applicant may each submit written materials for distribution to the Hearing Board in advance of the Hearing. The staff report shall be provided to the applicant in advance of the deadline for submission of written materials by the applicant. The Clerk shall determine the deadlines for the submission of written materials, in accordance with the requirements governing regular meetings of the Authority.

3.0 HEARING

3.1 Public Hearing

Pursuant to the [Statutory Powers Procedure Act](#), hearings, including electronic hearings, are required to be held in public. For electronic hearings, public attendance should be synchronous with the hearing. The exception is in very rare cases where the public interest in public hearings is outweighed by the fact that intimate financial, personal or other matters pertaining to an identifiable individual would be disclosed at hearings.

3.2 Hearing Participants

The Act does not provide for third party status at the hearing. Any information including submissions provided by third parties should be incorporated to the extent possible in a summarized general manner within the presentation of information by, or on behalf of, the applicant or Authority staff as appropriate taking into account required timeframes imposed by the Chairperson for receiving this information in advance of the hearing.

3.3 Attendance of Hearing Board Members

The members of the Hearing Board who will make the decision must be present during the full course of the hearing. If it is necessary for a member to leave, the remaining members can continue with the hearing and render a decision. For clarity, a Member that has left a hearing where evidence is being presented cannot rejoin to participate in rendering a decision. If a short recess is required to attend to a matter this can be requested through the Chairperson.

3.4 Adjournments

The Hearing Board may adjourn a hearing on its own motion or that of the applicant or Authority staff where it is satisfied that an adjournment is necessary for an adequate hearing to be held.

3.5 Orders and Directions

The Chairperson is entitled to make orders or directions to maintain order and prevent the abuse of the hearing processes. The general form of hearing procedure is included as [Appendix C](#).

3.6 Information Presented at Hearings

- (a) The [SPPA](#), requires that a witness be informed of their right to object pursuant to the [Canada Evidence Act](#). The Canada Evidence Act indicates that a witness shall be excused from answering questions on the basis that the answer may be incriminating. Further, answers provided during the hearing are not admissible against the witness in any criminal trial or proceeding. This information should be provided to the applicant as part of the Notice of Hearing.
- (b) It is the decision of the hearing members as to whether information is presented under oath or affirmation. It is not a legal requirement. The applicant must be informed of the above, prior to or at the start of the hearing.
- (c) The Board may authorize receiving a copy rather than the original document. However, the Board can request certified copies of the document if required.
- (d) Privileged information, such as solicitor/client correspondence, cannot be heard. Information that is not directly within the knowledge of the speaker (hearsay), if

relevant to the issues of the hearing, can be heard.

- (e) The Board may take into account matters of common knowledge such as geographic or historic facts, times measures, weights, etc., or generally recognized scientific or technical facts, information or opinions within its specialized knowledge without hearing specific information to establish their truth.

3.7 Conduct of Hearing
