## Cliff Lumsdon Park Revetment Major Maintenance Project

101 Lake Shore Drive, Etobicoke, Toronto

**Start Date:** Winter 2024 | **Completion Date:** Winter 2025

*\*Timeline is subject to change*

Toronto and Region Conservation Authority is preparing for construction work at Cliff Lumsdon Park to address ongoing shoreline erosion hazards and public safety concerns. The project area and park closures are highlighted on the map.

### Construction Related Information:

The area contained within the construction fencing on the map will be closed for the duration of construction.

For your safety, obey all signage and personnel. Stay clear of the work area & equipment.

Post-construction restoration tree plantings are tentatively planned for spring 2026.

Work Hours: Monday—Friday, **7:00 am to 5:00 pm.**

Construction trucks will use the highlighted access route. **Expect increased traffic on 6th and 7th street for the project's duration.**

There may be temporary construction related dust & noise during working hours.

*We thank you for your continued cooperation & patience throughout the duration of this project.*
