## Prince of Wales Park Major Maintenance Project: Site Restoration

**Start Date:** Fall 2025

*\*Timeline is subject to change*

Toronto and Region Conservation Authority (TRCA) recently completed maintenance on erosion control structures along the shoreline of Prince of Wales Park.

Additional restoration as part of this work will begin this fall, including tree replacements and grass reseeding. Temporary construction fencing will be installed around the restoration area which will remain closed to allow for new grass to establish.

Please stay clear of closed areas to help support the success of these restoration efforts.

## Construction Related Information:

Grass reseeding and replacement tree plantings will take place this fall

The restoration area will be closed for the fall season to support grass growth

*We thank you for your continued cooperation and patience throughout the duration of this project.*
