

Ashbridges Bay Park East Shoreline Maintenance Project

Drop-In Information Session

November 5, 2025

6:00 p.m. – 8:00 p.m.

Toronto United Mennonite Church
1774 Queen St E, Toronto, ON

Toronto and Region Conservation Authority (TRCA) is hosting a drop-in information session to share information about the upcoming shoreline maintenance. The work is needed to repair shoreline damage and protect Ashbridges Bay Park from future erosion caused by waves and high lake levels.

The project team will be available to answer questions about the construction.
