German Mills Creek Channel Restoration Project—Site 4 7015 Leslie Street—Leslie Street and Steeles Avenue East

Phase 1 - Tree Removals

Start Date: March 2026 | Completion Date: March 2026

Phase 2 - Erosion Control/Channel Restoration

Start Date: Summer 2026 | Completion Date: Fall 2026

**Timelines noted above are subject to change; please refer to website for more details*

Toronto and Region Conservation Authority (TRCA) is implementing erosion control and channel restoration work to protect sanitary sewer infrastructure along a section of German Mills Creek north of Steeles Avenue East. This work is necessary to address ongoing erosion concerns within the project area.

Construction Related Information:

Construction hours typically include:
Monday to Friday, 7:00 am to 5:00 pm.

For your safety, stay clear of the project area & equipment. Please obey all project signage and site personnel.

There may be temporary construction related dust & noise during working hours.

There may be brief delays while construction vehicles are accessing the site from Leslie Street.

We thank you for your continued cooperation & patience throughout the duration of this project.
