## Humber Bay Park West Shoreline Maintenance

2225 Lake Shore Boulevard West, Etobicoke

**Project Start Date:** January 2026 | **Completion Date:** March 2028

**Phase 2 Schedule:** June 2026 to Fall 2026 *\*Timeline is subject to change*

Toronto and Region Conservation Authority (TRCA) is performing maintenance on existing erosion control structures within Humber Bay Park West. This work is being completed in 5 phases total. Phase 1 is now complete and open for public use. Some fencing around recently restored areas will remain in place for several weeks to allow grass to establish. Phase 2 has commenced.

### Construction Related Information:

Material Delivery Hours: Monday — Friday, **7:00 am to 4:00 pm.**

The area highlighted on the map will be closed for the duration of Phase 2 construction.

There may be temporary construction related dust & noise during working hours.

For your safety, respect all signage. Stay clear of the work area & equipment.

At times, there may be brief delays while material delivery vehicles are utilizing Humber Bay Park Road West.

Post-construction restoration tree and shrub plantings will be completed by TRCA.

*We thank you for your continued cooperation & patience throughout the duration of this project.*
