

NOTICE OF COMPLETION

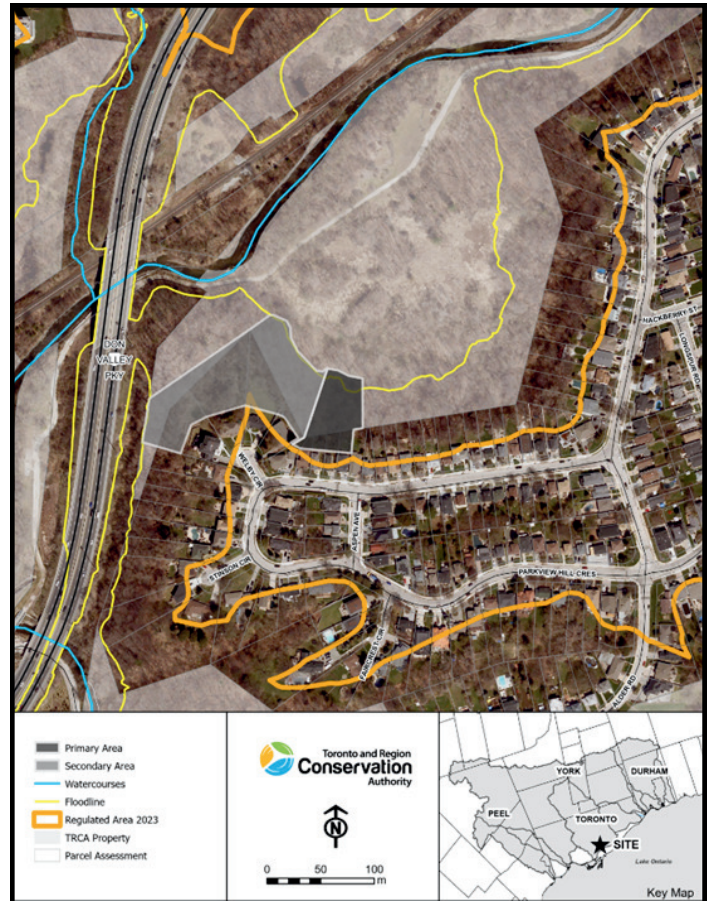

Parkview Hill Crescent

Slope Stabilization Project

Toronto and Region Conservation Authority (TRCA) has completed the Project Plan regarding the Parkview Hill Crescent Slope Stabilization Project (in the City of Toronto). The Project Plan has been prepared in accordance with the Class Environmental Assessment for Remedial Flood and Erosion Control Projects, approved for projects of this type.

As described in the Project Plan, TRCA is proposing to implement a range of erosion control solutions, including soil nails, a mechanically stabilized earth (MSE) wall, surficial erosion protection, and removal of debris and dead trees.

Interested persons are invited to review the Project Plan and provide written comments within 30 calendar days from the date of this notice. All comments and concerns should be sent directly to the Project Manager.

The Project Plan is available for review electronically on the TRCA's project webpage or by contacting the TRCA Project Manager listed below. Hard copies of the Project Plan will be available for review at the following locations for the duration of the 30-day review period:

(Publication date: 10/13/2026)

In addition, a request to the Minister of the Environment, Conservation and Parks for an order imposing additional conditions or declaring the project a Part II.3 project (i.e., requiring a comprehensive environmental assessment) may be made on the grounds that the requested order may prevent, mitigate or remedy adverse impacts on constitutionally protected Aboriginal and Treaty Rights.

Requests should include your full name and contact information. Requests should specify what kind of order is being requested (additional conditions or declaring the project a Part II.3 project), explain how an order may prevent, mitigate or remedy potential adverse impacts, and include any supporting information.

The request should be sent in writing or by email to both recipients below:

Minister of the Environment, Conservation and Parks
Ministry of Environment, Conservation and Parks
777 Bay Street, 5th Floor
Toronto ON M7A 2J3
minister.mecp@ontario.ca

Director, Environmental Assessment Branch
Ministry of Environment, Conservation and Parks
135 St. Clair Ave. W, 1st Floor
Toronto ON, M4V 1P5
EABDirector@ontario.ca

All requests should also be sent to the TRCA Project Manager by mail or by e-mail.

Prior to making such a request, however, concerned parties are encouraged to speak with TRCA to seek a resolution of their concerns. Subject to any Section 16 Orders or Section 16 Order requests, TRCA may proceed to implement the project without further public notice 30 days following the expiry date of the comment period specified in this notice.

Please visit the Ministry's website for more information on request for orders under Section 16 of the Environmental Assessment Act at: www.ontario.ca/page/class-environmental-assessments-part-ii-order

All personal information included in your request (such as name, address, telephone number and property location) is collected under the authority of Section 30 of the Environmental Assessment Act and is collected and maintained for the purpose of creating a record that is available to the general public. As this information is collected for the purpose of a public record, the protection of personal information provided in the Freedom of Information and Protection of Privacy Act (FIPPA) does not apply (s.37). Personal information you submit will become part of a public record that is available to the general public unless you request that your personal information remain confidential.

If you are interested in participating in this project or you are interested in receiving future project updates, please contact the Project Manager:
